UBF FOODSOLUTIONS TAPS G&C FOODS FOR NORTHEAST EXPOSURE

LISLE, IL (March 30) – UBF Foodsolutions here announced the G&C Foods, Syracuse, NY, has been named its Northeast redistributor.

G&C Foods was incorporated in 1976 and has grown into a respected foodservice re-distributor in the Northeast. From its state-of-the-art distribution facility just north of Syracuse, it meets the distribution needs of its customers from New England to Ohio, and beyond. Its modern delivery fleet is equipped with the latest satellite tracking to ensure speedy and timely service, UBF pointed out.

While specializing in boxed beef and other center-of-the-plate items, G&C also stocks a wide selection of frozen, refrigerated, and dry products. The redistributor also provides contracted refrigerated warehouse storage through Park Street Refrigerated Services arm.
